Ahavah is dedicated to getting the job done...

In Excellence, On Time and Within Budget!

What does Ahavah mean?

Ahavah is a verb and a noun, it is an act of doing.

The root word of Ahavah is “ahav.” The term ahav in Hebrew means, “to give”.

True Ahavah, true love, is more concerned with giving than receiving. Being the centre of someone’s attention isn’t love. And love isn’t about getting some feeling or fix. Ahavah is about giving devotion & time.

Giving is the vehicle of love. The meaning of “Ahavah” is “I give” and also “I love!” We now see the connection between the two words – “I give” and “I love” Love is giving...! Not only is love giving, but the actual process of giving develops the very connection between the giver and the receiver.
